Signing into Crowdmark through LEARN

1. Create a Crowdmark account at https://app.crowdmark.com/sign-in/waterloo using your 8-character username in the form of username@uwaterloo.ca

2. Click Sign in With LEARN and then log in with your LEARN credentials, using your WatIAM username in the form of username@uwaterloo.ca
If this is your first time signing in to Crowdmark, you will be directed to a Welcome page. Enter your email address again using your 8-character username in the form of username@uwaterloo.ca.

Welcome

To continue, please enter your email address:

instructor@example.com

Next
4. For more detailed steps on signing in to Crowdmark through LEARN for the first time, see https://crowdmark.com/help/brightspace-accessing-crowdmark/ (Note that LEARN is called Brightspace here.)
